CEMETERY RULES AND REGULATIONS

In exercise of their powers under Article 3(1) of the Local Authorities Cemeteries Order 1977 made under section 214(3) and 266(2) of the Local Government Act 1972, Pitsford Parish Council hereby make the following Rules and Regulations for the proper management, regulation, and control of the Pitsford Cemetery.

These rules and regulations will be effective from 1 November 2023 and may be cited as "Pitsford Parish Council Cemetery Rules and Regulations". These rules and regulations are subject to annual review.

Pitsford Parish Council is the Burial Authority for Pitsford Cemetery and is responsible for the management and maintenance of the cemetery accessed via Pitsford Churchyard at All Saints' Church.

Pitsford Parish Council has health and safety responsibilities to its employees, contractors, and visitors to the Cemetery. There is also a legal duty on the Parish Council to assess the risks from cemetery structures and work activities and to ensure that the risks are controlled. A detailed risk assessment is available on request from the Cemetery Registrar.

Interpretation

In these Rules and Regulations, except so far as the context otherwise requires, the following expressions have the meanings hereby assigned to them as follows:

vii. The Parish Council will remove any ornaments which have become neglected, unsightly, dilapidated, or unsafe or are in contravention of Cemetery Regulations.
